## 1. RECORDAL

- 1.1. The Municipal Manager and the Director ("the parties") have entered into an Employment Contract ("the Employment Agreement").
- 1.2. The Employment Contract [read together with section 57 of the Local Government: Municipal Systems Act, 32 of 2000 ("the Systems Act")], provides for the parties to conclude a Performance Agreement within 90 days after appointment and after that by no later than 31 July of each year for the duration of the Employment Contract. Should the conclusion of the Performance Agreements not be completed by this date due to unforeseen circumstances, the parties may extend this date by mutual agreement.
- 1.3. The parties have taken into consideration the provisions of Chapter 6 of the Systems Act (sections 38 to 49) which deal with performance management, the Local Government: Municipal Planning and Performance Management Regulations, 2001 (published in Government Gazette No. 22602 of 24 August 2001), the Local Government: Municipal Performance Management Regulations for Municipal Managers, 2006 (published in Government Gazette No 29089 of 1 August 2006), and Regulation 21 of 17 January 2014.
- 1.4. The purpose of the Performance Agreement is to:
  - 1.4.1. comply with the provisions of Section 57(1)(b), (4A), (4B) and (5) of the Act as well as the employment contract entered into between the parties;
  - 1.4.2. specify objectives and targets defined and agreed with the employee and to communicate to the employee the employer's expectations of the employee's performance and accountabilities in alignment with the Integrated Development Plan, Service Delivery and Budget Implementation Plan (SDBIP) and the Budget of the municipality;
  - 1.4.3. specify accountabilities as set out in a performance plan, which forms an annexure to the performance agreement;
  - 1.4.4. monitor and measure performance against set targeted outputs;
  - 1.4.5. use the performance agreement as the basis for assessing whether the employee has met the performance expectations applicable to his or her job;
  - 1.4.6. in the event of outstanding performance, to appropriately reward the employee; and
  - 1.4.7. effect the employer's commitment to a performance-orientated relationship with its employee in attaining equitable and improved service delivery.
- 1.5. The parties wish to record the terms of the Performance Agreement as they hereby do.

Two handwritten signatures are present at the bottom right of the page. The signature on the left is written in dark ink and appears to be 'mark'. The signature on the right is also in dark ink and is more stylized.

## 2. PERFORMANCE MANAGEMENT FRAMEWORK

2.1. It is recorded that –

2.1.1 The performance management framework utilized by the parties is a measurement tool for assessing an individual senior manager's contribution to his employer. It is the most significant component in the determination of the manager's performance bonus.

2.1.2 The basis for the measurement will be derived by the Executive Mayor from the strategic priorities of Council, as depicted in its Integrated Development Plan (IDP), Service Delivery and Budget Implementation Plan (SDBIP) and any outcomes of strategic planning sessions of Council and the senior management team.

2.2 Annexed hereto marked "A" is the Performance Scorecard ("Plan") as agreed by the parties. It identifies the strategic aims, objectives, how the achievement of these objectives is to be measured, the proposed performance targets in respect of each objective, and the weighting, on a percentage basis, given to each strategic aim and/or objective. The Performance Scorecard may consists of two key components:

2.3 2.3.1 Annexure A: Part 1: Functional Objectives in terms of the five national municipal Key Performance Areas (80% weighting) and Annexure A: Part 11: Core Competency Requirements which identify certain generic managerial competencies (20%).

2.3.2 Annexure B: Personal Development Plan if required.

## 3. DURATION

3.1. The Performance Agreement must be entered into for each financial year of the municipality, or part thereof.

3.2. The Performance Agreement will be deemed to have commenced on 1 July 2024 ("the commencement date") and shall govern the performance of the Director in the period from the commencement date until 30 June 2025.

3.3. Notwithstanding the provisions of clause 3.1, the parties shall nevertheless remain bound by the provisions of this Performance Agreement until the employee has been paid his performance bonus in terms of clause 6 if allowed within the law and/or agreement.

Handwritten signatures and initials in black ink, located in the bottom right corner of the page. There are three distinct signatures, with the word 'mark' written vertically next to one of them.

- 
- 3.4. The Director must be employed for at least four months of this evaluation period in order to be considered for the payment of a *pro rata* performance bonus in terms of this agreement.
  - 3.5. The agreement will terminate on the termination of the employee's contract of employment.
  - 3.6. If at any time during the validity of the agreement the work environment alters to the extent that the contents of the agreement are no longer appropriate, the contents may be revised by mutual agreement between the parties.

## **4. PERFORMANCE MANAGEMENT SYSTEM**

- 4.1 The employee agrees to participate in the performance management framework or system that the employer adopts or introduces for the municipality.
- 4.2 The employee accepts that the purpose of the performance management system will be to provide a comprehensive system with specific performance standards to assist the employer, management and municipal staff to perform to the standards required.
- 4.3 The employer will consult the employee about the specific performance standards that will be included in the performance management system as applicable to the employee.
- 4.4 The employee undertakes to actively focus towards the promotion and implementation of the Key Performance Areas (KPAs) (including special projects relevant to the employee's responsibilities) within the local government framework.
- 4.5 The criteria upon which the performance of the employee must be assessed consist of two components, both of which must be contained in the performance agreement. The employee must be assessed against both components, with a weighting of 80: 20 allocated to the Key Performance Areas (KPAs) and the Leadership and Core Competency Requirements (LCCRs), respectively. Each area of assessment will be weighted and will contribute a specific part to the total score. KPAs covering the main areas of work will account for 80% and CCRs will account for 20% of the final assessment.

Handwritten signatures and initials in the bottom right corner of the page. There are two distinct signatures, one of which appears to be 'MOSK'.

- 4.6 The employee's assessment will be based on his or her performance in terms of the outputs/outcomes (performance indicators) identified as per the performance plan which are linked to the KPA's, which constitute 80% of the overall assessment result as per the weightings agreed to between the employer and employee.
- 4.7 The Competencies will make up the other 20% of the Employee's assessment score. The Competencies are split into two groups, leading competencies that drive strategic intent and direction and core competencies which drive the execution of the leading competencies.

## **5. PERFORMANCE OBJECTIVES**

- 5.1 The performance plan sets out:
- (a) The performance objectives and targets that must be met by the employee;
  - (b) The time frames within which those performance objectives and targets must be met; and
  - (c) The competencies (Annexure B – definitions in terms of Regulation 21 of 17 January 2014) required to operate effectively as senior managers in the local government environment.
- 5.2 The performance objectives and targets reflected in the performance plan are set by the employer in consultation with the employee and based on the Integrated Development Plan, Service Delivery and Budget Implementation Plan (SDBIP) and the Budget of the municipality, and shall include key objectives; key performance indicators; target dates and weightings.
- 5.3 The key objectives describe the main tasks that need to be done. The key performance indicators provide the details of the evidence that must be provided to show that a key objective has been achieved. The target dates describe the timeframe in which the work must be achieved. The weightings show the relative importance of the key objectives to each other.
- 5.4 The employee's performance will, in addition, be measured in terms of contributions to the goals and strategies set out in the employer's Integrated Development Plan.
- 5.5 The objectives set for the employee will be spread amongst the Key Performance Areas referred to in 4.5 to form 80% of the overall assessment. The content and weighting of these various objectives and the respective KPAs, as agreed between the employer and the employee, is documented in Appendix A. The 5 broad national KPA categories are:

- 5.5.1 Basic Service Delivery (BSD)
- 5.5.2 Municipal Institutional Development and Transformation (MTID)
- 5.5.3 Local Economic Development (LED)
- 5.5.4 Municipal Financial Viability and Management (MFVM)

- 6.4 The employer must keep a record of the reviews and annual assessment meetings according to the regulations.
- 6.5 If the need arises during performance reviews to adapt performance indicators, objectives or targets due to unforeseen circumstances and/or operational requirements, then such changes will be by mutual agreement and will be reduced to writing in an appendix to this agreement within seven (7) days of such an agreement.
