RESPONSIVENESS CRITERIA

No bid will be considered by Witzenberg Municipality unless it meets the following responsiveness criteria (for the bid to be considered responsive, the bid must meet the following requirements):

a) The bid must be properly received in a sealed envelope which must clearly indicate the description of the service and the bid number on the outside of the sealed envelope for which the bid is submitted.

b) The bid must be deposited in the relevant Bid box as indicated on the notice of the bid on or before the closing date and time of the bid. Telephonic, facsimile, electronic/emailed and late bids will not be accepted.

c) An original Valid Tax Clearance Certificate must be attached to the bid document. Bidders must indicate their pin as provided by SARS to confirm validity of their Tax Clearance Certificate. Failure to provide Tax Clearance Pin may result in your bid being disqualified. Tax Compliance Status as at date of the Bid Evaluation Committee meeting will be used for Evaluation Purposes. Bidders who are registered on the municipality's accredited supplier database and submitted an original and valid tax clearance certificate with their application form do not need to submit it again with this bid, provided that the original tax clearance certificate will be valid at the time of bid closing. However, the onus is on the bidder to confirm this with the Supply Chain Unit.

d) The official bid document must be fully completed in indelible ink. Where information requested does not apply to the bidder and the space is left blank, it will be deemed to be not applicable.

e) All requested relevant and/or additional documentation such as Compliance Certificates, professional registration, artisan qualification, etc. must be submitted with the bid document.

f) Bidders must submit a certified statement signed by the bidder declaring that the bidder has no undisputed commitments for municipal services towards a municipality or other service provider in respect of which payment is overdue for more than 30 days (Annexure A).

g) The bidder must be in good standing to do business with the public sector in terms of Regulation 38 of the Supply Chain Management Regulations (Government Gazette 27636 of 30 May 2005).

h) Please note that any suspicious collusive bidding behaviour and restrictive practices by bidders will be reported to the Competition Commission for investigation and possible imposition of administrative penalties.

i) If the entity submitting a bid is a Joint Venture or Consortium or Partnership, each party to that formation must submit all the above information.

j) The bidder must adhere to the Pricing Instructions. Delivery costs must be included in the bid price and delivered to the prescribed destination. Bidders are required to bid for all items in the pricing schedule. Failure to do so will deem the bid to be non-responsive. The quantities as indicated above in the pricing schedule are only estimated quantities and will be used in order to evaluate the bid.

k) The Bidder’s details must be provided.

l) The necessary document authorising the Representative to sign and submit the bid on the bidder’s behalf must be completed and signed.

m) The Declaration of Interests by the bidder must be completed and signed.

b) The Council reserves the right to accept all, some, or none of the bids submitted — either wholly or in part — and it is not obligated to accept the lowest bid.
